## VOL.II THE DRAGON DIARY

**D**ANIEL AND BEATRICE continue their dragonological adventures in this long-awaited second instalment of The Dragonology Chronicles.

When a mysterious illness begins to spread among wild dragons, the children are charged with delivering a strange book, the *Liber Draconis*, to Dr. Drake, which they believe may contain a recipe for the cure.

Travelling on the fabled Dragon Express, they cross many continents, befriend a colourful collection of new dragon species and escape from the clutches of the evil Alexandra Gorynychka once again. But will they reach Dr. Drake in time? The future of dragonkind hangs in the balance.
