Templar Publishing's newest writer and illustrator, Kevin Waldron has already gathered great previews for his debut picture book... Mr Peek and the Misunderstanding at the Zoo.

"delightful and distinctive retro artwork and stylish typography has helped to create a hugely appealing picture book featuring Mr Peek, the zoo keeper, his son Jimmy and the case of the wrong jacket..."

"Both children and parents will be won over by Kevin Waldron's exuberant and entertaining debut picture book... Quirky, sophisticated illustrations are teamed with animated and playful text that is genuinely funny and satisfying to read out loud."

Lindsay Stainer - The Bookseller - 15th February 2008

"A first picture book, with stylish and quirky artwork... The humour should appeal to children and parents, and this would work brilliantly read aloud by a dad (preferably with a developing waistline)."

The children's Bookseller - 21st March 2008
